HELPFUL INFORMATION, TIPS, AND REMINDERS

- The Trailer is 27 feet long. Please plan for this in regards to the space for the trailer.
- Get together as many volunteers as you can. A minimum of five volunteers is required.
- Make sure you provide a cell phone number so the driver can call you if needed.
- Please be on time when receiving and returning the trailer.
- Trailer placement must be in a well-lit, secure area. Placement of the trailer on a street, road or avenue (versus a lot) must be expressly requested and will only be considered for single-day reservations.
- We DO NOT have the ability to deliver or pick-up the trailer on Sunday therefore reservations for Sunday-only or use beginning Sunday cannot be approved.
- Please submit event photos to us, immediately following your clean up event. We like pictures of your crew, before and after pictures of the area being cleaned, and of course pictures of the actual work!
- Use your best judgment and be safe. Watch out for all of the participants.
- Call local law enforcement if something looks dangerous or suspicious.
- Please try to recycle during the event.
- Do not forget to properly remove or dispose of trash and debris, **Clean&Green** Cleveland assumes no responsibilities for removal of trash/debris.
- Remember to stay hydrated, and tell your crew too!
- After your event, remember to submit the Post Cleanup Packet to the **Clean&Green** Cleveland staff member listed. This will include the Cleanup Event Checklist (with initials for deliver and return), the Post Cleanup Report, and any and all waivers!
- HAVE FUN!!!

FREQUENTLY ASKED QUESTIONS

- **Is there a way to get a list of what is in the trailer?**

Yes, there is a Clean&Green Cleveland equipment list which can be found on our website or on page 5 of this packet.

- **What is the process for reserving the trailer?**

First, review the Clean&Green calendar reservation system. Select the dates you'd like to reserve the trailer for (up to three consecutive days) and complete the calendar reservation form. If the dates are available, they will be visible. If not visible, those dates are reserved. Once submitted, your application will be reviewed and someone will reach out to you to confirm. Sutton Builders will follow-up with you to coordinate drop-off and pick-up logistics right before the event date. The project leader **must be present** for trailer drop-off and pick-up (to verify this, the driver will sign your cleanup checklist form). You must also complete the Waiver and Responsibilities form, this is available on our website and in this packet. After your cleanup, you must complete the post-cleanup report. This report is available via email link or on our website.

For reservation calendar, forms, and report, visit: www.clevelandnp.org/cleangreencleveland

- **Can I schedule the trailer to be picked up later than 2:00 PM?**

The trailer cannot be picked up any later than 2:00 PM. This is due to requirements of our delivery team. As long as your location meets the requirements for multiday use, they may be able to schedule pickup for the following morning instead.

- **Can I have someone other than myself be there for trailer delivery or pickup?**

The cleanup coordinator must be personally present for both delivery and pick-up. There is valuable information that is disseminated at delivery. In the event that you cannot be there, speak with your Clean&Green Cleveland staff member and they may be able to help you find a solution. The most common solution is to identify a different individual to be the coordinator.

- **Can I use the trailer on the weekend?**

Yes! For weekend use, the trailer will be dropped off Friday at 2:00 PM and picked up Monday at 9:00 AM. The trailer cannot be dropped off on Saturday or Sunday. For weekend use, the project coordinator **MUST** be present at drop-off on Friday and pick-up on Monday.

- **How do I submit my paperwork and pictures?**

There are a couple of different ways to do this. Paperwork submission information can be found on page 8 of this packet. Photos of your event can be submitted by email to Melinda Gigante at mgigante@clevelandnp.org.

Post Clean Up Instructions

2. Participant Waivers

- The participant waivers form should be printed out (2 sided) and signed by all participants at your event. This can be submitted ahead of time or sent in with the Post Cleanup Report.
