

We are celebrating 50 outstanding years of service to our neighbors and communities. Famicos is synonymous with excellence and innovation and has achieved a national reputation as a leader in the community development space.

Our mission is to improve the quality of life in greater Cleveland through neighborhood revitalization, affordable housing and integrated social services.

Due to our continued success and proven track record for excellence we are pleased to announce immediate openings:

PURPOSE BUILT COMMUNITIES PROJECT MANAGER

PURPOSE BUILT COMMUNITIES PROJECT MANAGER

This NEW position will be responsible for collaborating with leadership of the CLE Purpose Built Communities Initiative. The successful candidate will also serve as co-chair of the committee for local housing initiative to align with CLE PBC strategies. Other responsibilities include operationalizing the local housing initiative plan within the PBC framework, participating as an active member of the CLE Purpose Built Communities' project management team, serving as a the liaison with our community partners, and providing monthly progress metrics and reports.

The successful candidate will have three to five years of experience working with the public, preferably within a governmental or nonprofit agency, a BA/BS in public administration, urban planning, or a related field. In addition experience working collaboratively in a team environment to implement strategies that lead to neighborhood revitalization, excellent interpersonal, verbal, and written communication skills are also required.

Community engagement and organizing skills/experience to authentically engage key stakeholders will be essential. Interest in social justice and the desire to work in an urban setting with an understanding of the historical context of structural racism and its connection to concentrated poverty and commitment to working with an equity lens to positively transform the neighborhood will be key.

We offer in return:

We offer meaningful work, a challenging and fast paced work environment and growth opportunities. You will also become a part of a great community with an organization that is a leader in the community development space and are leading advocates for housing, health, and social equity.

We also offer competitive compensation and benefits package including medical, dental, and vision coverage, employer paid long term disability and accidental death and dismemberment coverage, employer paid life insurance, generous paid time off including vacation, paid sick time and paid holidays. In addition we offer a 401(k) savings plan + 6% employer match, a free employee assistance program,
